# Solvente-XL

## MIX OF SOLVENTS WITH DEWAXING AND PAINT STRIPPING ACTION

### PROFILE

**SOLVENTE-XL** is a mixture of various solvents and surfactants to be used as a specific dissolver in particularly troublesome situations.

### INTENDED USE

The product is effective in dissolving previous treatments with wax, paint, oil or synthetic wax on floors and coverings in cotton, clinker, wood, stoneware, marble etc. where other dewaxing products have had little effect.

### COMPOSITION

Isopropenyl-1-methylcyclohexene, 1,3-dioxolane, R)-p-mentha-1,8-diene.

### INSTRUCTIONS

Shake well before use. Apply one coat of product to the floor.

- Leave the treated surface wet by the product for the required time, about 5/15 minutes.
- Then go over the surface with the single-brush floor cleaner fitted with the suitable abrasive disk.
- Repeat the procedure, if necessary.

Important: air well the rooms during and after the work and collect the residues with cotton cloths, before the product is reabsorbed by the material.

Protect any delicate surfaces that could come into contact with the product.

### PROPERTIES

**DIllUTION**: It is ready to use, if required it can be partially diluted with water.

**YIELD**: About 5/14 sqm.

**STORAGE**: Closed in the original packaging, in a cool place, away from frost and UV rays, it retains its properties for at least two years.

**PACKAGING**:
- 6 1-litre cans
- 4 5-litre cans
- 2 10-litre cans

### CHARACTERISTICS

**APPEARANCE**: liquid

**COLOUR**: colourless

**ODOUR**: other

**SPECIFIC WEIGHT (20°C)**: 1.005 kg/l

**FLASH POINT**: >37°C

### PROS

- Fast acting.
- High wetting action.
- The surfaces dry quickly.
- Restores surfaces to their original condition.
- It can be added to other dewaxers to increase its effect.

Always run some test applications before applying it to the definitive surfaces.

### HEALTH

**Hazard statements**:
- H226 Flammable liquid and vapour. H317 May cause an allergic skin reaction. H411 Toxic to aquatic life with long lasting effects.
- EUH208 Contains: Alpha Pineene 7-Methyl-3-methyleneocta-1,6-diene

**Precautionary statements**:
- P101 If medical advice is needed, have product container or label at hand.
- P162 Keep out of reach of children.
- P210 Keep away from heat, hotsurfaces,sparks,open flames and other ignition sources.
- No smoking.
- P233 Keep container tightly closed.
- P272 Contaminated work clothing should not be allowed out of the workplace.
- P280 Wear protective gloves / eye protection / face protection.
- P333−P313 If skin irritation or rash occurs: Get medical advice / attention.

Contains: (R)-p-mentha-1,8-diene
